How many units are in your drink? Please drink responsibly. UK Chief Medical Officers recommend that for adult men and women, it is safest to drink less than 14 units a week and if you drink this quantity, it should be spread evenly over a minimum of 3 days. If you have any allergies or dietary requirements then please speak to our team for more information. All items are subject to availability. All prices include VAT. Service is not included. All tips are retained by the grateful team.
