All wines sold by the glass are also available in a 125ml measure. Please inform our team of any allergies before placing your order, as ingredients can change, and menus do not list all ingredients. While all reasonable steps will be taken to avoid the unintentional presence of allergens, we cannot guarantee that any products are 100% free from allergens, owing to possible cross-contamination. Ingredients are based on standard product formulations. Variations may occur. Calories/nutritional values stated are subject to change. Abvs are correct at time of print but are subject to change. All menu items are subject to availability. Management reserves the right to withdraw/change offers (without notice) at any time. 2-for-1 cocktails must be the same cocktail type to qualify for the offer. Prices are in pounds sterling and include VAT, at the current rate. Prices for products not stated on the menu are available at the bar or on the app. Service is not included, all tips are retained by the grateful team.

Adults need around 2000 kcals per day. How many units in your drink? Please drink responsibly. UK chief medical officers recommend that for adult men and women, it is safest to drink less than 14 units a week and if you drink this quantity, it should be spread evenly over a minimum of 3 days.
